Outlaw Half Triathlon - Sunday 1 June 2014 and Outlaw Triathlon – Sunday 27 July 2014

On Sunday 1 June and Sunday 27 July 2014 One Step Beyond Promotions will be organising separate triathlon events, which will pass through your parish during the cycle section. These events will see over 1000 competitors taking up the challenge of a 1.2 mile Swim, followed by 56 mile Cycle before finishing 13.1mile Run for the Outlaw Half and 2.4 mile Swim, followed by a 112 mile Cycle before finishing with a 26.2 mile Run for the full event.

May we take the opportunity to thank everyone for the support shown to the athletes at our previous events and we hope to see people from the local community once again supporting the athletes in these mammoth challenges.

We have been working with local Councils and businesses to maximise the potential benefit to the local economy with spectators travelling from across the UK to support the athletes, whilst also ensuring that the event has minimal impact on local residents and is embraced again by local people.

These events will both be based at the National Water Sports Centre (Holme Pierrepont) Nottingham, with the swim and run sections taking place in the lake and along the riverside path respectively. The cycle section for both events will travel through the beautiful Nottinghamshire Countryside using routes that will pass along the A52, through Radcliffe on Trent.

Depending upon which event the cyclist is undertaking they will either head over the new A46 completing an eastern loop around Car Colston, Hawksworth, Shelton, Elston, Farndon, Hawton and then heading north to Lowdham, Oxtun, Southwell, Kirklington, Farnsfield before returning via Lowdham to repeat the eastern loop, before returning to the National Water Sports Centre for the Outlaw Triathlon.

For the Outlaw Half, the cyclists will start using the same route towards East Bridgford, before heading north towards Gunthorpe, Lowdham, Oxtun & Southwell. From Southwell, the cyclists return towards Oxtun and then head south to East Bridgford and Car Colston. The cyclists then do a short loop, including Hawksworth, Flawborough, Alverton, Orston & Scarrington. The cyclists will then head back through Radcliffe on Trent, before cutting through Holme Pierrepont Hall.

We have been working closely with Nottinghamshire County Council Highways department for over 12 months to ensure that we get a balance between providing a safe route for the athletes and making sure the impact on other road users is kept to a minimum. Attached are copies of the confirmed routes, we would like to work closely with you to ensure that everyone understands the routes and where roads are closed what will be the easiest diversion on the day.

Should you have any questions regarding the cycle route or indeed the event as a whole, please do not hesitate to get in touch with me. For further information please call me on 01427 718888 or email me via jain@onestepbeyond.org.uk

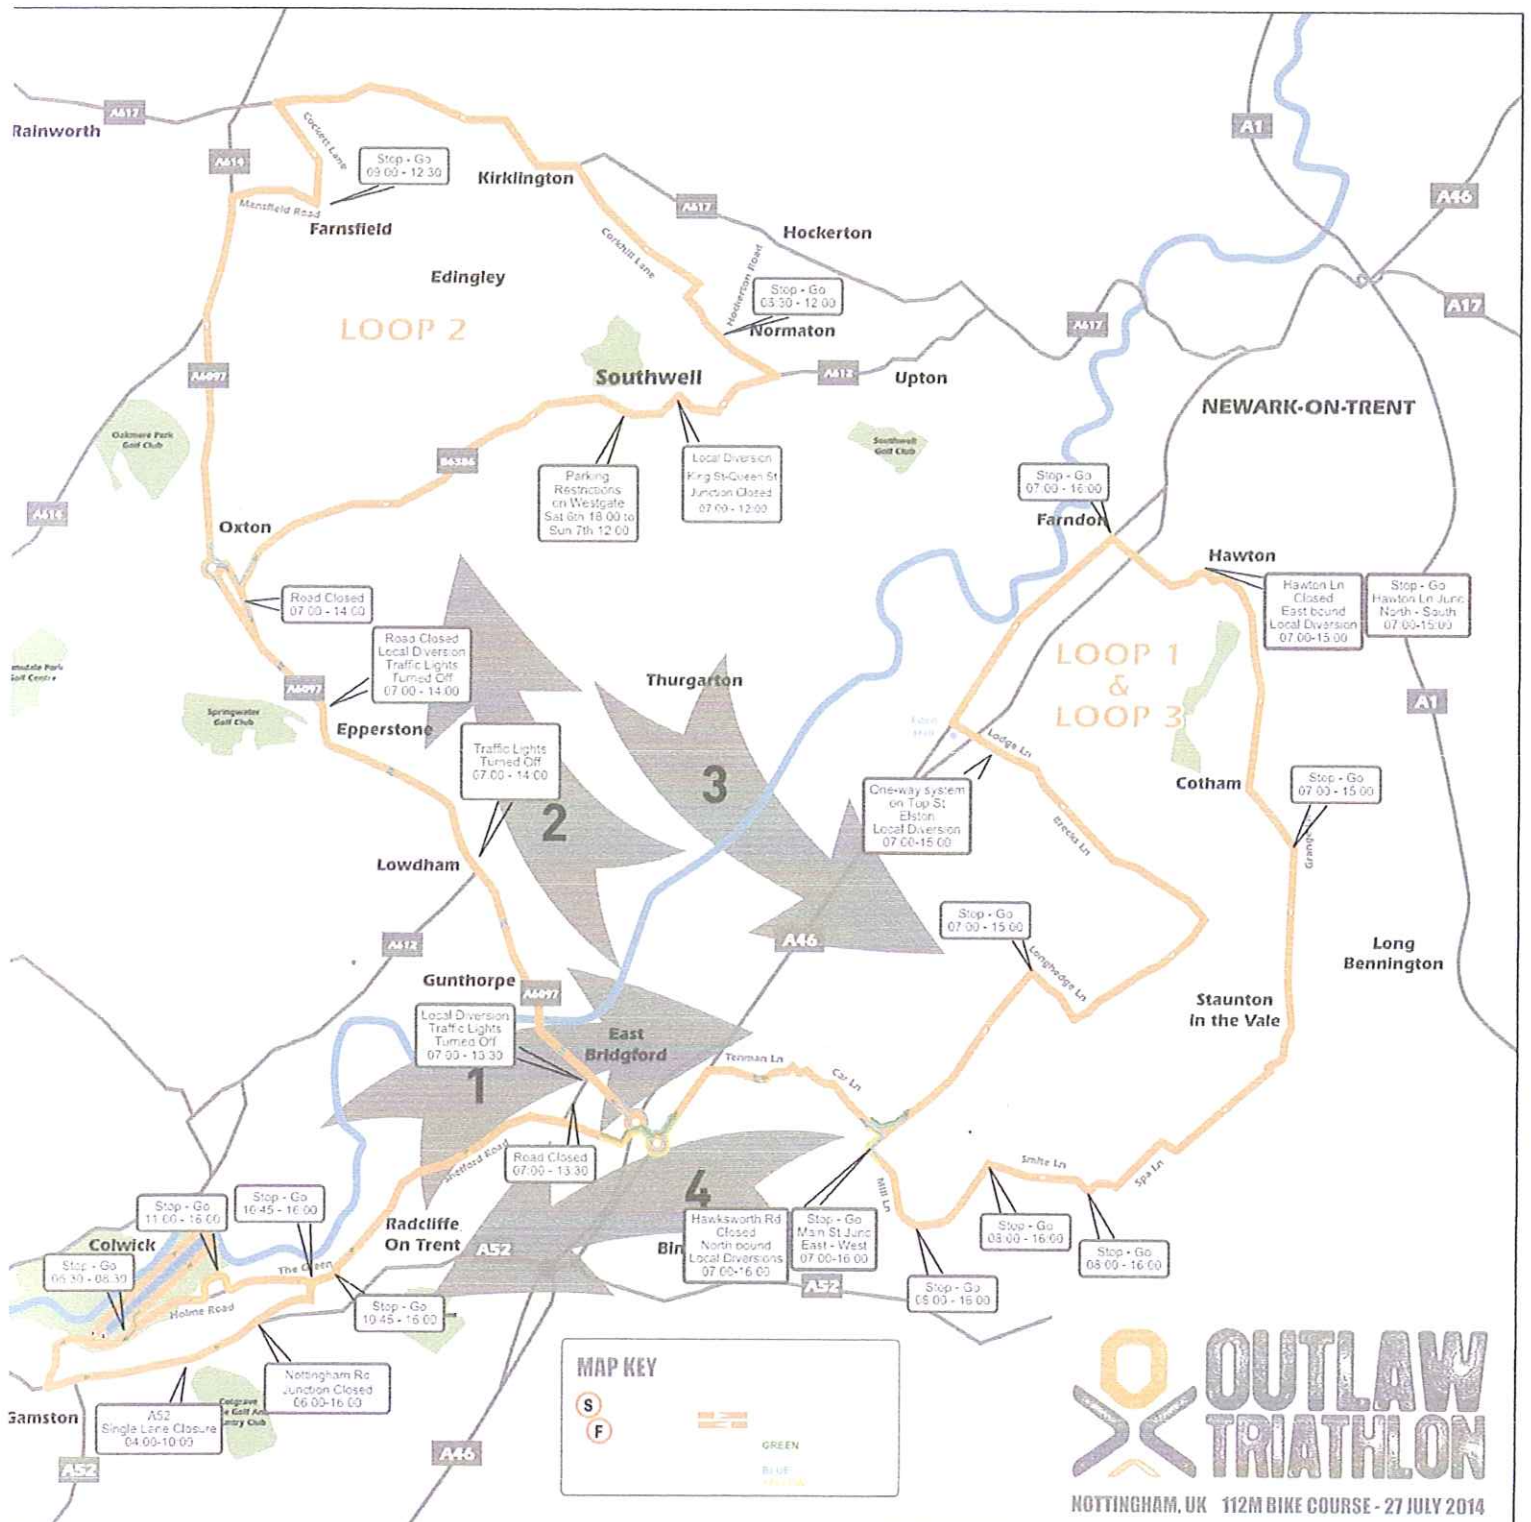

Finally could I please encourage you to support the athletes taking part; these are massive challenges and they will undoubtedly be grateful of your support on the day.

Yours Sincerely

Iain Hamilton
