Dear Sir / Madam

AREA 7 MANAGING AGENT CONTRACTOR CONTRACT

Re: A52 Radcliffe on Trent Drainage works

A-one+ is the Managing Agent Contractor to the Highways Agency, maintaining the trunk roads and motorways in the East Midlands on their behalf.

I am writing to advise you that we will shortly be carrying out drainage improvement works along the A52 at Radcliffe on Trent, from the Cropwell Road Junction to East of Northfield Avenue. The works start on 1 December 2014 for up to ten weeks.

Description of works

The works will help prevent flooding of the carriageway, as well as the adjacent properties and will address any drainage issues.

The majority of the works will be delivered using trenchless technology to minimise disruption, however, some disruption and delays are to be expected along the A52 Trunk Road.

The main work will be carried out overnight, under two-way traffic lights and footway closures, between 8:00pm and 6:00am Monday to Saturday, with some closures of A52 side roads. Diversion routes will be in place for local traffic, and will be appropriately signed. Access through the works for emergency services will be maintained at all times.

Every effort has been made to ensure disruption to traffic and residents will be kept to a minimum, but there will inevitably be some disruption generated by these works and for that, we apologise in advance.

Contact Details

Out of office hours, whilst the work is taking place please call Shane Newbold, our Site Manager on 07584 151 827 if you have any problems or questions.
