

SAVE OUR BANK

We the undersigned request you do not close the NatWest Branch in Radcliffe-on-Trent, Nottinghamshire.

This branch is the last bank in our community and serves a village with a population of around 8,800 people. It is heavily used by local businesses, residents and it is well used by many elderly people, a large number of whom for whatever reason do not use online banking whether out of choice or because of accessibility.

As a result of the Rushcliffe Borough Council's Local Plan, Radcliffe's population is set to grow by a minimum of 400 new homes in the next 15 years. Many of these new residents will want to use your branch.
