Dear Cllr Boote and Cllr Boote

Thank you for your letter of 18 January addressed to Jeff Hartley and for the comments contained within. Jeff has recently retired from the business so is unable to call you as you have requested today.

We would be happy to arrange a meeting between the banks representative and yourselves and this will be addressed in our response to you.

I hope to write to you again shortly, and certainly within the next two weeks, with a full response. If there is going to be a delay, I will contact you to let you know.

Yours sincerely

Rebecca Mair
