

RADCLIFFE CONSERVATION
VOLUNTEERS, WORK SESSION
SUNDAY 6TH MARCH,
10am - Noon

As part of the Community Clean Up activities, we plan to litter pick the riverside and Lily Ponds area. Meet by the Shelter at Rockley Memorial Park at 10 a.m. Litter grabbers and bags will be provided. Please wear sensible clothing and footwear, preferably boots and bring along a pair of gardening gloves. It's essential to remove as much litter in the area as possible before the vegetation starts growing up again and concealing it so we'd really appreciate your help if you can spare a couple of hours.'
