

Our ref: 560404 A52 Bingham Filter Drain Site Investigation.

**Attn of: Owner/Occupier**

Dear Sir/Madam

**Area 7 Re: A52 Bingham Filter Drain Site Investigation works.**

We are writing to advise you that as part of our maintenance work programme, we will shortly be carrying out trial hole investigation works on the A52 at Bingham.

We will be carrying out the works by implementing temporary traffic signals overnight typically between 20:00 and 06:00.

Subject to weather conditions, we plan to start the works on 7<sup>th</sup> March for 2 nights.

- **4 way traffic signals at A52 Tithby Road Junction overnight 7<sup>th</sup> March, and**
- **3 way traffic signals at A52 Grantham Road Junction overnight 8<sup>th</sup> March**

These dates may change due to operational reasons, but the actual dates for any road closures will be clearly signposted in advance.

Traffic management will be in place to maintain safety for road users and works operatives with delays kept to a minimum. We will do our utmost to complete the work as quickly as possible, avoiding disturbance and keeping noise and disruption to a minimum, and apologise in advance for any disruption and inconvenience caused.

**Contact details**

If you have any problems or queries whilst the work is taking place, please call the Contractor's Project Manager Darren Fothergill 07813123385 during site hours or our Construction Project Manager Neil Clements on 0300 470 7500 during office hours.

If you have any feedback for us on this scheme please call the Highways England Customer Contact Centre on 0300 123 5000.
