## Radcliffe evening diversion

From Monday 19 June the A52 close to Radcliffe will be closed overnight due to resurfacing works. The work will last for around 10-20 nights, and [rushcliffe mainline](#) will be affected each evening between 8pm until 6am the following day.

During this time **rushcliffe mainline** will divert via Stragglethorpe Lane and the A46 to get to Bingham, meaning we won't be able to serve Radcliffe.

But don't worry, a shuttle bus will be provided in both directions so you won't get left behind. Any trips that include our shuttle bus won't cost any more than your normal journey. Ask your driver for a transfer ticket or, if you're using MANGO, just use your card as normal and we'll refund you the next working day for the additional journeys.

We apologise for any inconvenience caused, and rest assured our team will do their best to keep you moving.
