- Coned lane on Trent Bridge northbound from **10:00hrs to 18:00hrs on Sunday 22nd June**

- Temporary lane closure on Bradmore Lane between Bunny and Plumtree on **Sunday 22nd June**
- Additional signage and stewarding plans at various locations along the route on **Sunday 22nd June**

All riders are obliged to comply with normal highway regulations. The roads and locations on or around the route are expected to be more congested than normal and we ask those that are using the highways on the day to take extra care and try to keep to a minimum any cars parked on the street. We recognise that this may cause some short-lived inconvenience, but we hope that local residents will also enjoy the spectacle and help support those raising funds for such a good cause.

The event is organised by Perfect Motion and this is the third year Cycle Live Nottingham will take place. It will also be the 33rd year of the Great Notts Bike Ride.
