

## QUESTION: What has...

- applying for a mortgage
- opening a bank account
- taking out a mobile phone contract and
- getting a credit card or store card
- GOT TO DO WITH REGISTERING TO VOTE?

## ANSWER

A lot more than you think. Organisations check the electoral register for proof of your identity and where you live. If you are not on it, you probably won't get what you want.

From June 2014,  
**Individual Electoral Registration (IER)**  
has modernised the way you register to vote  
and will help tackle electoral fraud.

Previously, registration was done by the householder, who completed the form on behalf of all adults eligible to vote in the household.

Under IER, everyone in the household who is eligible to vote is responsible for registering themselves. Don't lose your right to vote.

**YOUR VOTE MATTERS**

**MAKE SURE YOU'RE IN**
