Dear Sir / Madam

AREA 7 MANAGING AGENT CONTRACTOR CONTRACT
Re: A52 Cropwell Road Junction Resurfacing

A-one+ is the Managing Agent Contractor to the Highways Agency, maintaining the trunk roads and motorways in the East Midlands on their behalf.

I am writing to advise you that we will shortly be resurfacing the A52 carriageway between Hall Farm and Grantham Road allotments on 20 October 2014. Works are expected to last two weeks.

Description of works

The works will renew the existing carriageway surface to provide a smoother road surface and to maintain a safe road. As part of the work, the road markings will also be reinstated.

The main construction activities will be carried out under three-way traffic lights with closures of Cropwell Road between 8:00pm and 6:00am Monday to Saturday. Clearly signed diversion routes will be in place for local traffic when Cropwell Road is closed. Access through the works for emergency services will be maintained at all times.

Every effort has been made to ensure disruption to traffic and residents will be kept to a minimum, but there will inevitably be some disruption generated by these works and for that we apologise in advance.

Out of office hours, whilst the work is taking place please call our Site Managers either Gary Hickinbotham on 07792 734334 or Andy Hercock on 07787254851, if you have any problems or questions.
