

## **Makers of The Apprentice & Grand Designs are Casting for New TV Projects**

I am a television producer at a production company called Boundless, part of FremantleMedia UK. We make a variety of documentaries and factual programmes including The Apprentice (BBC One), An Hour to Save Your Life (BBC Two) and Grand Designs (Channel 4).

I am currently looking for people to take part in a variety of new TV projects which I'm developing. I was wondering if this may be of interest to you or anyone you know? Additionally, if you could send this around or post it online or on your social media, then that would be fantastic.

I am looking for...

**LANDLORDS** – For this project I need landlords who own multiple properties and are proud of what they do and their success.

**FAMILY BUSINESSES** – I want hardworking families for this project, who are constantly working, running a family business in addition to holding down second jobs.

**FAMILIES WHO NEED TO OPEN UP** – I need ordinary families for this project. It will give them an opportunity to open up to each other – maybe there are issues that are never talked about but are causing pain?

Any assistance you are able to offer would be very much appreciated. I can be contacted on [edd.buckley@boundlessproductions.tv](mailto:edd.buckley@boundlessproductions.tv) or 0207 691 6391.
