Help a local charity

Volunteer *in our* **charity** **restaurant**

Treetops Hospice Care is looking for volunteers to help serve customers at its restaurant in Nottingham Crown Court.

You will be taking customer orders, making light refreshments, and helping to keep the restaurant running smoothly.

Volunteering offers the chance to make life-long friends whilst doing something rewarding and worthwhile for a local charity.

You will be helping to raise money to provide nursing care and emotional support for adults with illnesses such as cancer, motor neurone disease and multiple sclerosis.

There are various shifts available, and full training is provided.
