

Radcliffe on Trent

Conservation Volunteers

We will be holding a work session on Saturday afternoon, 13th February 2.00-4.00pm. Meet at the Shelter in Rockley Memorial Park. We will be trimming up and stacking the sycamore we pollarded on 17th January and clearing some more bramble along the far end of the upstream section of the riverbank. Please wear sensible clothing and footwear (boots preferable) and bring some gardening gloves as this stuff can be very prickly! We do have some tools available but if you have a bow saw and a pair of loppers that you can bring along, that would be very useful. New volunteers are always welcome so please feel free to come along and join us.
