AREA 7 MANAGING AGENT CONTRACTOR CONTRACT

Re: A52 Carriageway Resurfacing, Saxondale to Harlequin

A-one+ is the Managing Agent Contractor to Highways England, maintaining the trunk roads and motorways in the East Midlands on their behalf.

I am writing to you to advise you that we will shortly be carrying out resurfacing on the A52. The proposed works start date is 16th May 2016.

Description of works

The proposed resurfacing works are required to repair this section of the A52 that is suffering from surface deterioration and poor skid resistance.

Works are expected to start on the 16th May 2016 and will be completed by 24th June 16, assuming reasonable weather conditions. In order to complete the works safely, various side road closures and junctions will be closed between Gamston Roundabout and Saxondale Roundabout. Works are predominantly scheduled to start each night at 8:00pm and finish by 6:00pm. During this time, clearly signed diversions will be in place. Access for emergency services will be maintained throughout.
