

10 Reasons Why You Should Join a Prince's Trust Team programme!

1. Get yourself motivated

Committing to a 12 week course not only shows employers that you are motivated, it gets you into the habit of getting up for something everyday!

2. Get your foot through the door

Nottinghamshire Fire and Rescue Service and the Prince's Trust are highly respected organisations. This will help you arrange a work placement in a career area of your choice!

3. Go on an action packed residential

We go on an action packed residential to the Peak District, where you will get to try new things, push your self to the max and get to know the other people on your team.

4. Gain a qualification

Whilst on the programme you will work towards a Level 1 or Level 2 qualification, which can help you gain access to college as well as impressing employers.

5. Become a team player

There are many benefits of being part of a team. The Team programme will help you brush up on your team building skills, and together, everyone really does achieve more!

6. Brush up on your CV

Not only will we support you with your CV, we will also help you fill it with lots of achievements which are guaranteed to impress any employer!

7. Meet new people

With around 15 people on every team, you will meet loads of new people and make new friends. Our Team members come to think of each other as family after 12 weeks together!

8. Gain confidence and self esteem

Job searching can be very difficult and disheartening. We will help you gain confidence, develop a sense of pride, and show you how to get this across to employers.

9. Its free!!!

It wont cost you a penny to come on our Team programme and what is more, we can even pay your bus fare to cover the cost of you getting in everyday.

10. Do something positive with your life

Whether your completing a community project, or taking adults with learning disabilities to the zoo, there are many opportunities to give something back to your local community.

Join our Beeston team now! The next Team starts on 23rd May 2016
