

## Books at Home

## Do you, or someone you know, enjoy reading but can no longer get out and about?

Then let the "Books at Home" service soon to be operating from Radcliffe Library bring books to you!

A friendly volunteer (Disclosure and Barring Service checked) can visit you in your home and bring you a selection of books in ordinary or large print for you to read or a variety of talking books to listen to.

Please contact Radcliffe Library for more information and to register your interest.
