RADCLIFFE ON TRENT NEIGHBOURHOOD PLAN

REFERENDUM

THURSDAY

19 OCTOBER 2017

For all electors eligible and registered to vote in the Parish of Radcliffe on Trent.

The Radcliffe on Trent Neighbourhood Plan is available at the Parish Offices at the Grange and on the website

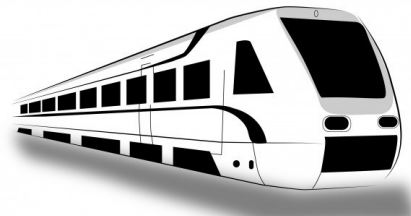

At the Parish Council meeting on 4th September, it was resolved to submit an

application to the National Association of Local Councils for the award of Quality Status.

The new Local Council Award Scheme has been designed to celebrate the successes of the very best local councils, and to provide a framework to support all local councils to improve and develop to meet their full potential. The scheme offers councils the opportunity to show that they meet the standards set by the sector, assessed by their peers, and to put in place the conditions for continued improvement.

Department for Transport - East Midlands Rail Franchise

The public consultation document sets out proposals to improve the train services on the East Midlands rail network. Soon a new contract will be let for the right to run the East Midlands services and as part of that the DfT are running a consultation.

The DfT would like to hear your views on the service now, as well as your thoughts on how to improve it in the years to come. Please read the consultation document all the way through and then, in the response form, give answers to the questions. You can fill in the response form and post it or you can respond online, or by email. Full details can be found on the Parish Council website. Responses must be received by 11 October 2017.

Radcliffe SkatePark

The Parish Council is working closely with the SkatePark Committee, Rushcliffe Borough Council and Rural Community Action Nottinghamshire to create a business plan to submit for future funding applications with a view to install a brand new state of the art concrete facility. A full update on progress will be provided in the near future.

Radcliffe on Trent Village Show

On Sunday 3rd September we saw our 5th Village Show. The show was opened by Radcliffe's very own BBC East Midlands Today Sports Reporter Colin Hazelden and compere Ricky Coxon. A big thank you to Ricky who kept us all very entertained all day

with his wonderful wit. The weather held out for us and everyone had a great day.

There were record numbers of entrants for the categories including the horticultural section, baking, jams, chutneys, children's painting, photographs and many more. There were new things to enter this year that were a huge success and will return next year. These included adult poetry, savoury pies and the BBQ Off!

Once again the ladies organising the Dog Show did a sterling job. There were many four legged pooches around the grounds of the Grange, making the whole day a family affair. Cups were given and many prizes were won.

Thank you to the RAINS team who provided all the early birds with breakfast and coffee! They also kept the guests happy all day with tea and cakes. Lizarc were the official photographers for the day and the photos can be seen on the Radcliffe Village Show Facebook page.

A big thank you goes out to all that sponsored the show this year and all the volunteers and staff that gave a great deal of time and effort in making it another fantastic village event for all.
