Dear Sir or Madam,

**A52 NOTTINGHAM JUNCTIONS IMPROVEMENT SCHEME
NOTIFICATION OF START OF CONSTRUCTION WORKS**

I am writing to advise you that as part of the legacy work following the construction of Nottingham Road and Cropwell Road junctions and ahead of the forthcoming improvements to Bingham, Gamston and Stragglethorpe junctions, currently programmed for construction 2019/20, Highways England will be carrying out work to widen and improve the Clifftop footpath at Radcliffe-on-Trent for the Parish Council. This work will provide a safer footpath for pedestrians to access the regularly used community amenity.

The work started Monday 6 November 2017 and is expected to last approximately 4 weeks.

The work is being undertaken during daylight hours and the footpath will remain open during construction.
