18 June 2018

Dear Sir or Madam,

### **Notification of overnight closures on the A46 between the Hobby Horse Roundabout and Widmerpool**

I am writing to let you know about changes to the essential maintenance scheme on the A46 between the Hobby Horse roundabout and Widmerpool. Previous correspondence mentioned closures from 18 June to 27 June Southbound between Widmerpool and Hobby Horse which has changed as follows:

#### **Upcoming closures**

Overnight closures of the Southbound carriageway are now programmed as follows:

- Mon 18 June to Thu 21 June A6006 (Paddy's Lane) Jct to Hobby Horse Rbt.
- Fri 22 June to Fri 29 June A606 (Widmerpool) and B676 (Six Hills).

To minimise inconvenience and disruption to the travelling public, we will carry out the work overnight **from 8pm to 6am, Monday to Friday**.

Please note that all planned roadworks are subject to change due to weather conditions or unforeseen circumstances. We apologise for any inconvenience caused and will do our very best to complete the work as quickly as possible, keeping disturbances and noise to a minimum.

#### **How will the work affect traffic?**

Before a full carriageway is closed we will put in place fully signed diversion routes, which have been agreed with the Local Authority. Access to properties within the closures will be maintained by vehicle escort.

Both carriageways will remain open to traffic between the hours of 6am and 8pm and throughout the weekend as usual.

The diversions for both closures are also attached to the e-mail.
