## Event Bulletin – Rushcliffe

### Tour of Britain Road Closures and Waiting Restrictions

Date: Saturday 8<sup>th</sup> September 2018

#### Main race

Start: West Bridgford Town Centre Time: 10:30

Finish: Mansfield Civic Centre Time: 15:50 (Approx)

The race is held on a closed road basis with ‘rolling road closures’ implemented by the police and national escort group motorcyclists. Moving traffic is to be directed to stop by this group and held at strategic points to create a sterile traffic-free section through which the race will pass. In most locations the closure is expected to last for approximately 20 minutes.

The start and finish areas will require fixed traffic management systems as will localised events or special locations along the route. These longer durations are shown in the table below.

In order to create the required width for the race, parking needs to be displaced at some locations.

The times that the race will pass through are shown on the attachment “Stage 7 West Bridgford - Mansfield ETA”. This has three columns of times headed 38, 42 & 46Kmph, indicating the expected race speed allowing for variation on the day due, in particular, to weather conditions but is an accurate estimate based on extensive experience of the race organisers.

Waiting Restrictions will be in Operation from 08:00hours to 16:00hours but will be removed as soon as practicable after the race has gone through and any operational activities have been completed.

For full route please see [www.TourofBritain.com](http://www.TourofBritain.com)

#### Route List – Rushcliffe

Road No.	Road	Town	Location	Comment
