Dear Sir/Madam,

Event Notification: Cycle Live, Nottingham– Sunday 23rd June 2019

We are writing to inform you about the Cycle Live Nottingham cycling event that will be running in June 2019, organised by Perfect Motion. This event is in its 38th successive year and is being held on 23rd June 2019.

Event Summary

Sunday sees up to 4,000 riders take on either: 25, 50, 75, 100 or 125 miles through the glorious Nottinghamshire and Leicestershire countryside.

As some of the routes on the 23rd June will be passing through your area, we are sending you the route details for your information. To view the route and the roads that will be used for each of the routes, please see the website at: <http://cyclelivenottingham.co.uk/>.

There are no road closures planned. Therefore, access in and out of properties will still be possible as usual. Route signage will be erected and the event will be fully managed and supported with stewards.

All riders are required to comply with normal highway regulations. The roads and locations on or around the route are expected to be more congested than normal and we ask those that are using the highways on the day take extra care and try to keep to a minimum any cars parked on the street. We recognise that this may cause some short-lived inconvenience, but we hope that local residents will also enjoy the spectacle and help support those raising funds for such good causes.

Further details about the event in general can be found on the website specified above. If you have any queries before the event, please contact Perfect Motion on 0115 9258777, or email cyclelive@perfectmotion.org.

We'd like to thank you in advance for your understanding and let you know that we appreciate your patience and cooperation.

Yours sincerely,
