

# Radcliffe on Trent

## Community Environmental Projects

Radcliffe on Trent Parish Council and members of the Radcliffe community achieved the following and many projects continue to evolve. Contact the Parish Clerk for more information on how to get involved. Tel: 0115 9335808 Email: clerk@rotpc.com

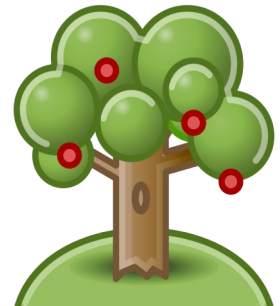

### Community Litter Picks

Organised on a regular basis for the village, nature and wildlife areas and recreational spaces

Successfully applied for two **Tetrapack** Recycling Bins now located at the Health Centre Car Park

### Radcliffe Conservation Volunteer Group

Monthly work sessions, maintaining and enhancing the Lily Ponds and Dewberry Hill Nature Areas in line with the Management Plans created with the help of the Nottinghamshire Wildlife Trust

### Friends of Rockley Park

A Group of volunteers carrying out regular work sessions to maintain and enhance the Memorial Gardens

### Friends of Radcliffe Station Adoption Group

An award winning group of volunteers enhancing this local amenity

**The Junior School Eco Project** has been recognised with a Civic Award, this project encourages the community to improve the local environment and lessen the harmful impact of plastics and litter etc.

Obtained funding and installed two **wildlife information boards** as part of the Village Signage Project.

Obtained funding for **800 reusable water bottles** to be distributed at community events to promote awareness of the issues with single use plastics. An Environmental Working Group formed by Councillors and residents meets regularly .
