Dear Sir / Madam,

**PROPOSED PUBLIC REALM MEASURES IN RADCLIFFE ON TRENT**

Via East Midlands Ltd, is working on behalf of Nottinghamshire County Council to deliver highway services in Nottinghamshire. In response to the unprecedented situation due to COVID-19, the Government has requested Local Highway Authorities make changes to their road layouts to support the country's transition as lockdown restrictions are lifted. These changes include the introduction of measures to encourage active travel, enable social distancing and support economic recovery.

Rushcliffe Borough Council and Radcliffe on Trent Parish Council have requested that the following **temporary** measures be given consideration to mitigate the effects of COVID-19 in Radcliffe:

- 20mph zone within village centre
- Introduction of limited waiting (1hr) parking bays on a section of Main Road (Monday – Saturday 8.00am-6.00pm, 1 hour).

It is also proposed that an existing disabled parking bay on Main Road be converted into an enforceable bay (At All Times).

The proposals are shown on the attached drawing H/GC/3525/07. The measures would be introduced through a Temporary Traffic Regulation Order (TTRO) and as part of this work new lines would be marked on site and new signs erected. The scheme will be monitored during its operation and reviewed as appropriate.

Any observations on these proposals should reach me in writing, either by letter or email, by **18th September 2020**. All responses will be reviewed and fed back to the County Council after the 18<sup>th</sup> September.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice: [www.viaem.co.uk/privacy-notice-for-the-public/](http://www.viaem.co.uk/privacy-notice-for-the-public/)
