

mainline

Bingham Road

Radcliffe on Trent

Monday 21 June – Friday 30 July

Between the above dates, there will be major works at the junction of Bingham Road with the A52 at Radcliffe on Trent. This is to allow Cadent to replace a large gas main.

Due to this, there will be no right turn into Radcliffe on Trent from the A52 which will impact on journeys towards Nottingham. The diversion will be via Cropwell Road as shown below –

The following stops will be missed towards Nottingham:

Bingham Road
Golf Road
Eastwood Road
New Road

Please use **Woodside Road** or **Vicarage Lane** stops as an alternative.

Journeys towards Bingham are able to use the normal route through Radcliffe on Trent and will not need to divert.
