

Dear Resident

IMPORTANT TRAFFIC INFORMATION

Outlaw Half Triathlon, Sunday 15 May 2022

On 15 May 2022 OSB Events will be organising a triathlon event in Nottinghamshire. The event will see over 1400 competitors taking up the challenge of a 1.2 mile Swim, followed by a 56 mile Cycle before finishing with a 13.1 mile Run.

This is the 9th year of the event and is effectively the 'little brother' of our main Outlaw Triathlon event which is held annually in July (24 July 2022). We have been working with local Councils and businesses to maximise the potential benefit to the local economy with spectators travelling from across the UK to support the athletes, whilst also ensuring that the event has minimal impact on local residents and is embraced by local people.

The event will be based at the National Water Sports Centre (Holme Pierrepont) Nottingham, with the swim and run sections taking place in the lake and around the White Water course respectively. The cycle section will travel through the beautiful Nottinghamshire Countryside using a route which will pass along the A52, through Radcliffe on Trent and along the A6097 to Oxtan. From Oxtan the cyclists will complete one lap along the B6386 to Southwell, before turning onto the A612 in the Westgate area and heading towards Lowdham. From Lowdham the cyclists will rejoin the A6097 towards East Bridgford and head over the A46 completing a loop around Car Colston, Hawksworth, Flawborough, Alverton and Orston. The cyclists will then head back through Radcliffe on Trent, before cutting through Holme Pierrepont Hall – see the map at <https://ridewithgps.com/routes/34977400>.

We have been working closely with Nottinghamshire County Council Highways department for a number of years to ensure that we get a balance between providing a safe route for the athletes and making sure the impact on other road users is kept to a minimum.

In order to achieve this, the A52 is going to have a single lane closure in an eastbound direction (your side of the carriageway) from 04:00 – 10:00; this closure is necessary to allow the cyclists to safely access the main section of the cycle route. The closure will run from the junction of Adbolton Lane through to the turning for Nottingham Road and, as a consequence there will be no access to Nottingham Road from the A52.

A diversion route will be signed via Cropwell Road and full access to the Radcliffe area

There will also be basic traffic management in place between the hours of 12:45, around the mini roundabout in the centre of Radcliffe and also a which leads onto The Green from about 08:15 – 12:45. These measures operation for the safety of the competitors and to ensure that traffic do not overly congested in this area.

We expect all of our athletes to behave in a courteous and considerate manner on occasions a small minority let the side down. We would ask for your help in ensuring that the event is a positive experience for all. If you see an athlete littering or behaving in an inappropriate manner please note their race number, which should be visible on their back and also the details of the bike. If you contact us on 07979 666452, with details of the incident, we will be able to disqualify the athlete concerned. This number will only be monitored on the day of the event.

For further information please call 01522 699950 or visit www.outlawtriathlon.com/nottingham-half/overview/.

Finally could I please encourage you to support the athletes taking part; this is a massive challenge and they will undoubtedly be grateful of your support on the day.

Yours sincerely

Adam Moffat
