Dear Resident

Parking restrictions along Cropwell Road, Nottingham

I'm writing to give you an update on the planned completion date for the A52 Nottingham Junction Improvement scheme, in particular the construction work being carried out at the Bingham Road junction. Our previous project manager, Kanishka Varoon, wrote to you in September 2021 to explain our plans for traffic management, which included parking restrictions along Cropwell Road.

In September 2021, we estimated our construction work at the Bingham Road junction would take six months to complete. However, we have faced a number of challenges that have delayed our work. These included uncovering utility pipework and cabling that had not been chartered, causing us to suspend work until we received clarity on this infrastructure. Our work has also suffered delays due to the Covid pandemic, and the effects of the war in Ukraine has resulted in delays for our material supplies.

We are currently on track to complete the junction improvements at Bingham Road by the end of June 2022. Consequently, we must also maintain the current parking restrictions in Cropwell Road until the end of June 2022. The parking restrictions have been very important as they have enabled us to keep the traffic moving and ensure the safety of children travelling to and from school.

I understand the parking restrictions and the construction work have caused inconvenience for the local community, so I would like to reassure you we are working hard to keep the disruption to a minimum. I express my sincere thanks for your patience over the last six months.

In order to stay up to date with the latest traffic information in your area, we recommend that motorists follow us on Twitter (**@HighwaysEMIDs**). If you'd like any further information about the A52 Nottingham junction scheme, please:

- email A52smallerjunctions@nationalhighways.co.uk
- telephone 0300 123 5000
- or visit our scheme webpage at <https://nationalhighways.co.uk/our-work/east-midlands/a52-nottingham-junctions/> where you can sign up for updates.

Yours faithfully

Emma Winter
